

ACTION BIBLE DISTRIBUTION REPORT

From Nelson Morales
Action Bible Field Director
February 2020

Praise God for His Mercy and Love! God is continuing to open doors throughout Guatemala that allow us to place Action Bibles directly into the hands of thousands of children.

When an Action Bible is placed in the hands of a child, we are placing God's Holy Word on good soil — planting a seed of faith that will surely grow and produce fruit, making an Eternal difference in their lives and the lives of those around them as they share what Jesus has done for them.

“Other seed fell into good soil and brought forth grain, growing up and increasing and yielding thirty and sixty and a hundredfold.”

Mark 4:8

Distribution

We had the opportunity to bring the Action Bible Program to Triangulo Ixil. It is a long drive (about four hours) to reach these communities but gives us access to many of the schools in El Quiche Area. This access allows us to Eternally impact more children, and over time, lead them into a relationship with their Lord and Savior Jesus Christ.

Christian Ministries

We are working with Pastors in many rural villages who have the vision to develop their children's ministry departments, evangelism programs, and reading clubs. These Pastors lack the necessary materials to run these programs effectively, and the Action Bible is the perfect tool to meet this need.

Networking

Our regional contacts list continues to multiply. More people are interested in reaching the schools around the country because they believe in the Action Bible and have witnessed the positive impact it is having on the lives of school children.

Impact

Children continue to show their preference for the Action Bible over other books. They cannot stop turning pages, reading the great stories, and enjoying the captivating illustrations. Each page is another opportunity to learn more about the good news from God.

Every week I travel to different places, have different experiences, and meet new people. I am always able to find a common denominator: joy and thankfulness on the faces of the children when they are reading their Action Bible and learning about Jesus!

Keep Praying,
In Christ, Nelson Morales, Guatemala Action Bible Field Director
